## Nano Center Prize for Outstanding B.Sc. Students

המרכז לננומדע  
ולננוטכנולוגיה

The Center for  
Nanoscience  
and Nanotechnology

Dear members of the Nano Center,

The Nano Center is introducing unique prize, designated for outstanding B.Sc. students who are taking an active part in a lab of our members.

Beyond recognizing the excellence of the students, the purpose of the prize is also to expose outstanding students to the activities of the Nano Center and to increase the number of candidates for the Center's MSc program after graduating their BSc.

The Center will distribute up to 8 prizes on the amount of **5,000 ILS** each. The final number of prizes will be determined by the number of suitable applicants submitted.

Each PI can nominate only one applicant from his lab.

### Eligibility Criteria:

- The applicant is a B.Sc. student.
- The applicant has completely finished the first year of his/her B.Sc. degree.
- The applicant's research is conducted in a lab of a member of the Nano Center and is Nano-related.
- Minimum average grade of 85

### Required Documents for Submission:

1. List of grades including the average grade
2. Research abstract (up to 1 page)
3. Letter of recommendation from the PI
